

October 2017 BPC/V-S Silhouette Match

October's match day couldn't have been more perfect—mild temperature, very light breeze, energetic target resetters. Eleven shooters took advantage of one last practice match before the Arizona State Championship on November 17 – 19. Iron sight shooters outnumbered the rest of us and fielded the top three overall winners. Chip Mate was Overall Match Winner with a score of 33, followed by Ron Calderone with a 29. Third Overall Winner was Rick Gray with a 27. Pat Taylor was first place Iron Sight winner with a 23, with Bob Hitchens close on his heels with a 22. 3rd Place winner was Perry Shirly with a 15. Ross McCollum was Scope winner with a 20. Vintage Sniper Rifle scores were less than dazzling, with Tim Thorne coming in first with a 22, and Jason Hook receiving second place recognition with a 20. Nori Thorne missed an entire herd of pigs, actually shooting more offhand chickens. Let's just say it was a long drive home.
